

## **HAPPY HOUR\***

\*Use of the phrase “Happy Hour” is not intended to convey this amazing deal (\$7 wines & small bites) only lasts a mere 60 minutes. And by no means is it a rule you must be happy. Maybe you’ve had a long day or been stuck in traffic. Maybe your boss is driving you nuts. Maybe you just got a text saying your kid decorated the curtains with ketchup. It doesn’t matter, come as you are. We’ll be happy to put a smile on your face.
